#### The Sparks Foundation

📅 June 2021 – Jul 2021

📍 Bangalore, India

- **Collaborated** with the development team for creating the website for orphan children across the country.
- **For the backend part Nodejs is used to handle multiple requests and scale smoothly.**

## PROJECTS

### HireBook Web App

**3 months**

- Designed and Developed a responsive Website using MERN stack and used Material UI to create easy-to-use UI.
- The Website allows users to upload designs of their project to find the clients and can work remotely.
- Implemented a feature so that hiring person can directly contact with the job seekers.

### File System Organizer

**15 days**

- Created a web app where we can organize random files on our pc based on their extension. Tech Stack used is Node.js
- The Website allows users to run the code in their folder which organize all the files inside it and delete multiple copies of same file.

### Parkinson's Disease Detection using ML

**15 days**

- Built a Machine Learning Model that can detect Parkinson's Disease with Python.

## CODING ACTIVITY </>

- Solved **200+** problems on **LeetCode**
- Solved **240+** problems on **GeeksForGeeks**
- **4 star (1932 rating)** on **CodeChef**
- Solved **50+ SQL problems** on HackerRank and LeetCode
- Mentored students from various IIIT colleges on competitive programming in "Skills Spring" programme hosted by IIIT Nagpur.

## SKILLS

### Back-End Stack

NodeJS JavaScript Python MongoDB  
Java express.js

### Front-End Stack

ReactJS HTML CSS  
Material-UI JavaScript React native Bootstrap

Python SQL Operating System  
Object-Oriented Programming Networking  
Cloud REST

C++ Deep Learning

### Data

MongoDB AWS-S3 MySQL

### Development

Eclipse Visual Studio Gradle Git Agile

## ACHIEVEMENTS

- Achieved a global rank of 67 in Codechef Snack-down 2021 among 31000 participants..
- Selected for second round among 25000 participants in Uber Hacktag.
- Solved more than 700 coding problems on various platforms like-codechef,codeforces,geeks for geeks and leetcode.
